Dear Goodyear Retirees and Surviving Spouses:

We are pleased to offer you information regarding your 2017 Benefits.

Please read the enclosed documents carefully, as there are important changes which may affect you and your enrolled family members.

Note that your plan options depend upon your Medicare status. If you or a family member is not yet eligible for Medicare, please refer to the document labeled “Non-Medicare Eligible Participants”.

If you or a family member is eligible for Medicare, please refer to the document labeled “Medicare Eligible Participants”.

Your 2017 contribution amount will depend upon three factors:

- The Retiree or Surviving Spouse’s Medicare status,
- The Retiree’s date of retirement: either before May 1, 1991 (“Pre-91”) or on or after that date (“Post-91”), and
- If you have enrolled a spouse or any dependent children.

Please refer to the “Monthly Contributions” section of the enclosures for the contribution rate applicable to you.

If you have any questions or need assistance, please contact the Trust Administration Office at 1 (866) 694-6477.

Sincerely,

**The Committee of the Goodyear Retiree Health Care Trust**
