## Think about Your Medicare Coverage for Next Year

Each fall, Medicare allows you to change your Medicare health and drug coverage during the Annual Enrollment Period. It's important to review your coverage now to make sure it will meet your needs next year. Please review Section 2.2 to find out what happens if you change to a different plan.

**Please note: If you make any changes, you may lose both your medical and prescription drug benefits.**

### Important things to do:

- Check the changes to our benefits and costs to see if they affect you.** It is important to review benefit and cost changes to make sure they will work for you next year. Look in Section 1 for information about benefit and cost changes for our plan.
- Check the changes to our prescription drug coverage to see if they affect you.** Will your drugs be covered? Are they in a different tier? Can you continue to use the same pharmacies? It is important to review the changes to make sure our drug coverage will work for you next year. Look in Section 1.3 for information about changes to our drug coverage.
- Think about your overall health care costs.** How much will you spend out-of-pocket for the services and prescription drugs you use regularly? How do the total costs compare to other Medicare coverage options?
- Think about whether you are happy with our plan.**

### If you decide to stay with SilverScript:

If you want to stay with us next year, it's easy — you don't need to do anything.

### If you decide to change plans:

If you decide other coverage will better meet your needs, you can switch plans between October 15 and December 7. Look in Section 2.2 to learn more about your choices.

**Please note:** This prescription drug coverage is offered in conjunction with your medical coverage. If you choose a Medicare prescription drug plan other than SilverScript, you will lose your medical and prescription drug coverage provided by Goodyear Retiree Healthcare Trust.

## Summary of Important Costs for 2017

The table below compares the 2016 costs and 2017 costs for SilverScript in several important areas. **Please note this is only a summary of changes. It is important to read the rest of this *Annual Notice of Changes*** and review the enclosed *Evidence of Coverage* to see if other benefit or cost changes affect you.

## Changes to Your Cost Sharing in the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.** You qualify for the Catastrophic Coverage Stage when your Medicare true out-of-pocket (also known as TrOOP) costs have reached the \$4,950 limit for the plan year. Once you are in the Catastrophic Coverage Stage, you will stay in this payment stage until the end of the plan year. During this stage, the plan will pay most of the cost for your drugs.

For information about your costs in these stages, look at Chapter 4, Sections 6 and 7, in your *Evidence of Coverage*.

## SECTION 1 Changes to Benefits and Costs for Next Year

### Section 1.1 – Changes to the Monthly Premium

See the “Summary of Important Costs for 2017” section in this document for premium information.

Your monthly plan premium will be *more* if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as “creditable coverage”) for 63 days or more. Chapter 4 in the *Evidence of Coverage* explains the late enrollment penalty.

- Goodyear Retiree Healthcare Trust has elected to pay for your late enrollment penalty on your plan. However, if you join another plan, your late enrollment penalty may not be covered and you may be responsible for paying your late enrollment penalty.

If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage. This additional amount is called Part D Income Related Monthly Adjustment Amount (Part D–IRMAA). Chapter 1 in the *Evidence of Coverage* explains Part D–IRMAA.

Your monthly premium may be *less* if you are receiving Extra Help with your prescription drug costs.

### Section 1.2 – Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare prescription drug plans have a network of pharmacies. Chapter 3 in the *Evidence of Coverage* explains how to locate and fill prescriptions at network pharmacies. Our network includes preferred pharmacies, which may offer you lower costs than other pharmacies within the network. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

There may be changes to our network of pharmacies for next year. We included a copy of our *Pharmacy Directory* in the envelope with this booklet. You may also call SilverScript Customer Care for updated pharmacy information. **Please review the 2017 Pharmacy Directory to see which pharmacies are in our network.**

### Section 1.3 – Changes to Part D Prescription Drug Coverage

#### Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.”

The Drug List we included in this envelope includes many — *but not all* — of the drugs that we will cover under the Medicare Part D portion of your plan next year. It does not include drugs that you can get due to the additional coverage provided by Goodyear Retiree Healthcare Trust. If you don’t see your drug on this list, it might still be covered. **You can get the complete Drug List** with all the drugs covered by the Medicare Part D portion of the plan by calling SilverScript Customer Care.

We may make changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

- Restrictions can include a requirement to get plan approval in advance. Restrictions can include a requirement to try a different drug first to see how well it works. Restrictions can also include limits on the quantity of the drug that the plan will cover for you.
- **If there is a restriction for your drug, it usually means that you or your provider will have to take extra steps in order for us to cover the drug.** If there is a restriction on the drug you want to take, you should contact SilverScript Customer Care to learn what you or your provider would need to do to get coverage for the drug.

**Please note:** Goodyear Retiree Healthcare Trust provides additional coverage that may cover prescription drugs not included in your Medicare Part D benefit. There may be instances where your share of the cost may be more or less due to this additional coverage. If you are unsure about your share of the cost or which drugs may or may not be covered, please call SilverScript Customer Care.

If you are affected by a change in the drugs covered by the Medicare Part D portion of your drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug. **We encourage current members** to ask for an exception before next year.
  - To learn what you must do to ask for an exception, see Chapter 7 of your *Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))* or call SilverScript Customer Care.
- **Work with your doctor (or other prescriber) to find a different drug** that we cover. You can call SilverScript Customer Care to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a **one-time**, temporary supply of a non-formulary drug in the first 90 days of coverage or of the plan year. (To learn more about when you can get a temporary supply, see Chapter 3, Section 5.2 of the *Evidence of Coverage*.)

While you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

If you previously received a prior authorization (PA) for a drug that is being removed from the formulary in 2017, that drug will no longer be covered even if your PA extends into 2017 or beyond. Please review your copy of the 2017 formulary to determine which drugs are covered in 2017.

If you currently have a formulary exception for a drug you are taking, please refer to the letter you received that granted the exception to see whether your exception continues beyond the plan year. If it states your formulary exception will expire at the end of the plan year, you will need to submit a new exception request for the drug if its formulary status has not changed. You can call SilverScript Customer Care with questions about your current formulary exception.

### **Changes to Prescription Drug Costs**

**Note:** If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We have included a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you get “Extra Help” and didn’t receive this insert with this packet, please call SilverScript Customer Care and ask for the “LIS Rider.” Phone numbers for SilverScript Customer Care are in Section 6.1 of this booklet.

There are three “drug payment stages.” How much you pay for a Part D drug depends on which drug payment stage you are in. The information in the “Summary of Important Costs for 2017” section of this document shows the changes for next year to the three drug payment stages — Initial Coverage Stage, Coverage Gap Stage, and Catastrophic Coverage Stage. The Coverage Gap Stage and the Catastrophic Coverage Stage are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

To get more information about your costs in all drug payment stages and to learn how copayments and coinsurance work, look at Chapter 4 of the enclosed *Evidence of Coverage*.

## **SECTION 2 Deciding Which Plan to Choose**

### **Section 2.1 – If You Want to Stay in SilverScript**

**To stay in our plan, you don’t need to do anything.** If you do not sign up for a different plan by December 7, you will automatically stay enrolled as a member of our plan for 2017.

### **Section 2.2 – If You Want to Change Plans**

We hope to keep you as a member next year, but if you want to change for 2017, follow these steps:

#### **Step 1: Learn about and compare your choices**

- You can stay in your current prescription drug plan.
- You can join a different Medicare prescription drug plan.
- You can change to a Medicare health plan. Some Medicare health plans also include Part D prescription drug coverage.

**Please note:** This prescription drug coverage is offered in conjunction with your medical coverage. If you choose a Medicare prescription drug plan other than SilverScript, you will lose your medical and prescription drug coverage provided by Goodyear Retiree Healthcare Trust.

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2017*, call your State Health Insurance Assistance Program (SHIP) (see Section 3 for contact information), or call Medicare (see Section 6.2).

You can also find information about plans in your area other than SilverScript by using the Medicare Plan Finder on the Medicare website. Go to <http://www.medicare.gov> and click “Find health & drug plans.” **Here you can find information about costs, coverage, and quality ratings for Medicare plans.**

#### **Step 2: Change your coverage**

- To **change to a different Medicare prescription drug plan**, enroll in the new plan. You will automatically be disenrolled from SilverScript.
- To **change to a Medicare health plan**, enroll in the new plan. Depending on which type of plan you choose, you will automatically be disenrolled from SilverScript.
  - You will automatically be disenrolled from SilverScript if you enroll in any Medicare health plan that includes Part D prescription drug coverage. You will also automatically be disenrolled if you join a Medicare HMO or Medicare PPO, even if that plan does not include prescription drug coverage.

- If you choose a Private Fee-For-Service plan without Part D drug coverage, a Medicare Medical Savings Account plan, or a Medicare Cost Plan, you can enroll in that new plan and keep SilverScript for your drug coverage. Enrolling in one of these plan types will not automatically disenroll you from SilverScript. If you are enrolling in this plan type and want to leave our plan, you must ask to be disenrolled from SilverScript. To ask to be disenrolled, you must send us a written request or contact Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
- **To change to Original Medicare without a prescription drug plan, you must either:**
  - Send us a written request to disenroll. Contact SilverScript Customer Care if you need more information on how to do this (phone numbers are in Section 6.1 of this booklet).
  - – *OR* – Contact **Medicare** at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

### **SECTION 3    Deadline for Changing Plans**

You can switch plans between October 15 and December 7.

**Please note:** This prescription drug coverage is offered in conjunction with your medical coverage. If you choose a Medicare prescription drug plan other than SilverScript, you will lose your medical and prescription drug coverage provided by Goodyear Retiree Healthcare Trust.

If you disenroll from Medicare prescription drug coverage and go without creditable prescription drug coverage, you may need to pay a late enrollment penalty if you join a Medicare drug plan later. See Chapter 4 in the *Evidence of Coverage* for more information about the late enrollment penalty.

#### **Are there other times of the year to make a change?**

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area are allowed to make a change at other times of the year. For more information, see Chapter 8, Section 2.2 of the *Evidence of Coverage*.

### **SECTION 4    Programs That Offer Free Counseling about Medicare**

A State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. A SHIP is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. SHIP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. To learn more about the program, check with your state’s SHIP (the name and phone numbers for this organization are in the Appendix of your *Evidence of Coverage*).

## SECTION 5 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Listed below are three different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. Many people are eligible and don’t even know it. To see if you qualify, call:
  - 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048;
  - The Social Security Office at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call 1-800-325-0778 (applications); or
  - Your State Medicaid Office (applications).
- **Help from your state’s pharmaceutical assistance program.** A State Pharmaceutical Assistance Program (SPAP) helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your state’s SPAP (the name and phone numbers for this organization are in the Appendix of your *Evidence of Coverage*).
- **Prescription cost-sharing assistance for persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/underinsured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through your state’s ADAP. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call your state’s ADAP (the name and phone numbers for this organization are in the Appendix of your *Evidence of Coverage*).

## SECTION 6 Questions?

### Section 6.1 – Getting Help from SilverScript

Questions? We’re here to help. Please call SilverScript Customer Care at 1-855-479-3654. TTY users should call 711. We are available for phone calls 24 hours a day, 7 days a week. Calls to these numbers are free.

#### **Read your 2017 *Evidence of Coverage* (it has details about next year's benefits and costs)**

This *Annual Notice of Changes* gives you a summary of changes in your benefits and costs for 2017. For details, look in the 2017 *Evidence of Coverage* for SilverScript. The *Evidence of Coverage* is the legal, detailed description of your plan benefits. It explains your rights and the rules you need to follow to get covered services and prescription drugs. A copy of the *Evidence of Coverage* is included in this envelope.
